Camp begins 9am and ends at 3pm.

## 9. How can I register for before/after camp?

During the online application process you will be given the opportunity to register for before/after camp for each session. Before camp begins at 6:30am and goes until camp starts. After camp starts at the conclusion of camp and all campers must be picked up by 6pm. The price break down is as follows:

Before Camp: \$70.00 per child, per session

After Camp: \$70.00 per child, per session

Campers can sign up for any combination of before/after camp for any session. No pro-rating is available.

## 10. When is the registration deadline?

The registration is a rolling process there is no set day to register. However, there is a maximum capacity for each session of camp. Registration opens in the first week of April, and will remain open until the capacity is reached. Registering for sessions ahead of time does not mean that you have to pay early. Payment is not due until the Friday before each session begins. **REGISTRATION WILL CLOSE AT 12PM ON THE WEDNESDAY BEFORE EACH SESSION, REGISTRATION WILL NOT BE ACCEPTED AFTER THAT TIME.**

## 11. How does swimming work?

Swimming is one of our most popular activities. The Circleville beachfront provides a great environment for water activities. All children are swim tested based on their abilities. The results of this test determine what area of depth the children are allowed to enter in the water. Upon entering the beach the children are supervised by both camp staff and a team of certified lifeguards.

## 12. Can my child bring toys/electronics?

Yes, Camp is about having fun. We make sure to supply anything needed for our activities. We have found that many kids also like to bring items from home for use throughout the day. **However, we are not responsible for any items lost/stolen during the camp day. When in doubt, leave it home. Any personal items brought to camp should be labeled with your camper's name to ensure they can be returned if they are lost or left behind.**
